Foresters Plan October 7 Whist

Committee members were hard at work today to insure the success of the benefit whist to be given by Vista Grande Circle No. 253, Foresters, Tuesday evening, October 7, at 8:45 p. m. The party will be held at Linhares Social hall, 167 Los Banos avenue.

All officers are in charge of the affair, proceeds of which will be used as a fund for distressed members during the year.

"The public is cordially invited," the committee stressed. "There are many lovely awards, as well as cash first prize."

Boy Weather Prognosticator

Interested in weather, a 14-year-old boy, Roger Keener, a Boy Scout, of Canaan, Conn., has set up his own weather bureau in his home and his predictions have been quite accurate, neighbors say. He has all the necessary instruments for recording wind, humidity, barometer pressure and precipitation. Roger became interested in weather through his scouting work and hopes to go on with his study, expecting to make it his profession later on in life.

More Space

If there is too little wall space to arrange furniture attractively, a door which is not absolutely essential could be permanently locked and covered with an appropriate wall hanging. Or if the room is to be repapered, the door might be blocked in with a plywood panel and papered.

LAUGHTER AND TRAGEDY

Walter Pidgeon enters into a little clowning with Greer Garson and Marsha Hunt in this sequence of "Blossoms in the Dust," in which he and Miss Garson are now starred on the Daly City screen. Miss Hunt plays the actress' school chum who takes her own life when she learns of the stamp of illegitimacy which is hers. It is this tragic occurrence which inspires Miss Garson, as Edna Gladney, to enter upon her pioneer work of child welfare.

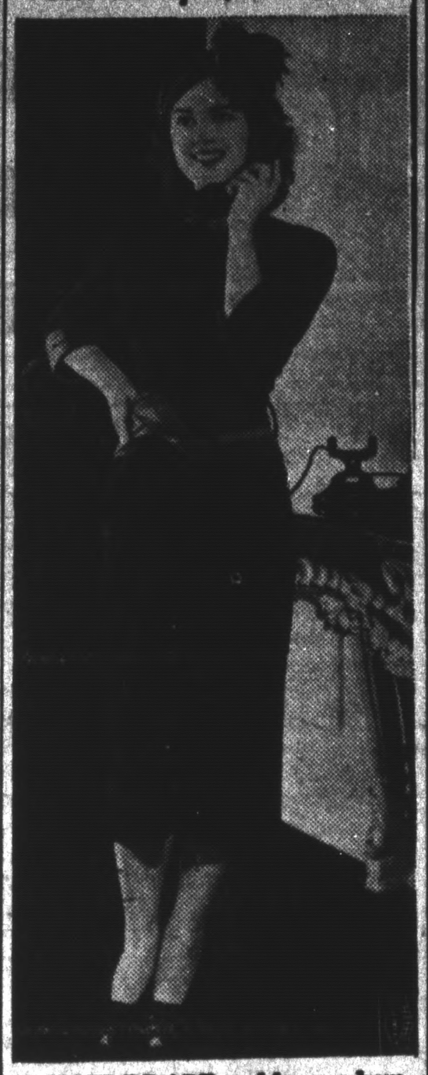
New Drape, Hemline



DHOTI DRAPE and longer hemlines are the two style themes selected by designer Charles Cooper for his fall and winter collection. CBS actress Toni Gilman was caught telephoning at the Ritz Towers in a night sky blue wool street dress, featuring the draped midriff of colorful plaid, which is also used for cuff trimming and turban. Notice how the midcalf length accentuates the tall slim silhouette.

Most Spanish Spot

The most Spanish spot under the American flag is the romantic city of Ponce, on the southern coast of the United States territory of Puerto Rico. Although Ponce was the first city to be entered by the Americans who took Puerto Rico in 1898, it has been the last to give up the Latin heritage it derived from its Conquistadores. English is spoken widely in Puerto Rico, but Spanish is the prevailing language in this stronghold of old Castille.

Pays Debt

L. B. Evans, a farmer of Alberta, Canada., pays his debts even if they are 15 years old. He sent a check for $90 to the city of Los Angeles for his hospital bill in 1925, at the pest house. The city wrote back that the treatments were free, but Evans refused to take back the money.

FINISH PREPARATIONS FOR ANNUAL FESTIVAL

It looks like a circus in the schoolyard of Our Lady of Perpetual Help church! Enthusiastic workers have brought to completion their preparations for the annual Fall Festival and Bazaar, to be given by the church tonight, Saturday and Sunday.

Fifteen booths have been erected under the direction of the carpenters, Pete Kelly and Ernie Cuneo. They have been decorated attractively by Mrs. Jennie Johnson. Colorful lighting effects have been arranged by the electricians, Leonard Muller, Frank Coughlin, and Fred Bricker.

In case any of you forget that the bazaar is going on, Tom Tallon and Clarence Rengstorff plan to have a loud and merry parade each night through Daly City to impress upon the citizenry that the place to be tonight, Saturday, and Sunday is at the carnival.

Delicious home-cooked dinners will be served, Saturday and Sunday from 5 to 7 p. m.

According to those in charge of the affair, "Hundreds of families are planning to give mother a two-day vacation from cooking and enjoy these dinners."

The culinary artist responsible for the repast will be Mrs. A. Kohmann, head of the dinner committee.

Plenty of free entertainment has been provided for the three days of the carnival. Friday, the open air dance will begin at 8 p. m. Saturday at the same time a large accordion band will perform.

The Daly City band will start the day, Sunday, with a recital at 2 p. m. Under the direction of George Brenner,

FOR YOUNGSTERS

THRILLING MATINEE BILLED TOMORROW

For thrilling action, daring horsemanship, sustained interest and a story which conceals a surprising climax until the very end of the picture, it would be hard to beat "The Gunman from Bodie," Monogram's "Rough Riders' drama which will be shown at the children's matinee, tomorrow, by the Daly City theatre.

Buck Jones, Tim McCoy and Raymond Hatton will be seen in featured roles.

The story, laid in the cattle country of the Southwest, is an adventurous tale of the pursuit of a band of stock thieves by undercover U. S. Marshals. Local law enforcement officers have joined forces with the outlaws, and the resulting reign of terror brings federal detectives to the scene. How they mask their movements from the bandits, and how they achieve results after apparently working at cross purposes, makes a story that is filled with interest.

The cast is remarkable for its excellence. Buck Jones and Tim McCoy have starred separately in many Western pictures, and their combination in this series is little less than a master stroke on the part of Producer Scott R. Dunlap.

Director Spencer Bennett has maintained the action at a uniform pace, and at no point is there any letdown in the action. "The Gunman from Bodie" is a picture that "moves," as the saying is, and it is one that is filled with interest and excitement.

This thrilling western will be seen only at tomorrow's matinee, according to the management.

Pinwheels For Parties

By Frances Lee Barton

THE popular pinwheel is suitable for the evening meal, for guests, for the Bridge luncheon or for that before-bed "snack." But somehow it seems to lend itself most to parties — particularly children's parties. Here's a recipe through which you may prove my assertion:

Lemon Coconut Pinwheels

2 cups sifted cake flour; 2 teaspoons double-acting baking powder; ½ teaspoon salt; 4 tablespoons butter or other shortening; 1 egg, slightly beaten; 10 tablespoons heavy cream; lemon filling; ¾ cup sifted confectioners' sugar; 1½ tablespoons lemon juice; ½ can moist, sweetened coconut.

Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening. Combine egg and cream; add all at once to flour mixture and stir until all flour is dampened. Then stir vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out on slightly floured board and knead 30 seconds. Roll into oblong sheet, 7 x 12 inches. Spread evenly with Lemon Filling. Roll as for jelly roll, wetting edges to seal. Cut in twelve 1-inch slices. Place rolls in greased 8 x 8 x 2-inch pan, cut-side down. Bake in hot oven (425° F.) 25 minutes, or until done. Combine sugar and lemon juice and spread over hot rolls. Sprinkle coconut over top. Serve warm or cold.

To make Lemon Filling, combine ½ cup sugar, 2½ tablespoons cake flour, and dash of salt in top of double boiler; add 1 egg yolk, slightly beaten, ½ cup water, and 3 tablespoons lemon juice, mixing thoroughly. Place over boiling water and cook 10 minutes, stirring constantly. Add ½ teaspoon grated lemon rind and 1 teaspoon butter. Cool.

Greek Training Table

Candidates for athletic games in ancient Greece lived on new cheese, dried figs, boiled grain with warm water and no meat.

Human Head Sacred

In the Fiji islands, the human head is held to be sacred and it is an insult to reach above the head of another person. Women in consequence crawl on their hands and knees when men are at leisure inside a house. Persons who have been insulted are likely to commit suicide to eradicate the shame.

Diet Changes

Since 1917 the American public has changed its diet by increasing the use of salads, malted milk, whole milk, fresh fruit, canned fruit and fresh vegetables.

Travel Pleasantry

Nearly 12,000 of the passenger cars on American railroads are now air-conditioned, the Association of American Railroads reports.

Testing Tires

A machine has been invented to test the durability of automobile tires by subjecting samples of their material to twice the number of impacts to which the tires would be subjected in use.

Whip A Whip Together

By Frances Lee Barton

WOMEN who profess to know
Say that WHIPS are apropos.
Not for training girls and boys;
Not for snapping — too much noise;
Not for politics of course;
Not for spurring mule or horse;
But for serving, noon or night
As a cool, delicious bite.

Ladies, you will all agree
If you try this recipe:

Orange Vanilla Whip

1 package orange-flavored gelatin; 1 package vanilla cornstarch pudding.

Prepare orange gelatin and vanilla cornstarch pudding as directed on packages. Chill pudding. Chill gelatin until cold and syrupy. Place in bowl of cracked ice or ice water and whip with rotary egg beater until fluffy and thick like whipped cream. Add chilled pudding gradually, beating constantly until blended. Turn into sherbet glasses or large serving dish. Chill until firm. Serves 1 to 12.

Pals

Raccoons have an ideal home life, says the National Park service, because the male shares the responsibility of rearing and training the children.

SAFEWAY

For After Dark

FOR IMPORTANT AFTER-DARK dates Evans has created this beautiful bag of black antelope trimmed in gold kid scrolls. Selena Royle, starred on Columbia network's "Woman of Courage," carries it for both "don't dress" occasions and more formal parties. Its perfect fittings—brushed gold compact, lipstick and comb—and other inside detailing has won it the title of a jeweler's piece.

Profits in Modernization

More than 1,000 grocery store owners, members of the Independent Grocers alliance, recently studied a survey on increased profits resulting from storefront modernization with structural glass. It was revealed that average profits increased 30 per cent the first year after modernization and that the average gross receipts rose from $31,000 to $38,828.

Wrong Training

Colleges continue to train students for jobs that no longer exist, Chester G. Moore, chairman of the board of the Central Motor Freight association, recently told a conference at the University of Illinois. And all the time, he said, jobs as salesmanager, accountants, office managers, solicitors, traffic managers and tariff experts—in the trucking industry, are going begging.

First Dog Shot

Bobby, an Alsatian dog attached to a crack French Zouave regiment as a messenger, was the first dog to be shot by the Germans on the Western front, according to a report received in Paris. His body was recovered and was buried with the following epitaph: "Here lies Bobby, a messenger dog, who fell on the field of honor while rendering service."

A De Luxe Dish

By Frances Lee Barton

"DE LUXE," according to the dictionary is something "specially elegant, sumptuous or elaborate." The de Luxe Lemon Pudding (see recipe below) is certainly not an elaborate dessert, but the flavor is sumptuous and thus its name. Easily made, economical, healthful, light, very tasty — what more could one desire even in a "de Luxe" dessert?

Lemon Pudding de Luxe

1 package lemon-flavored gelatin; 1½ cups hot water; ¼ teaspoon salt; ½ cup sugar; ¼ cup lemon juice; ½ cup heavy cream.

Dissolve gelatin in hot water; add salt, sugar, and lemon juice. Chill until cold and syrupy. Fold in cream, whipped only until thick and shiny, but not stiff. Turn into large serving dish or individual molds. Chill until firm. Serves 6 to 8.

May be served plain, with crushed fresh raspberries, or with blueberry sauce.

Hull Mentioned

During a press conference in Washington, former Gov. Alf M. Landon of Kansas, inadvertently referred to Secretary of State Hull as "President Hull."

"Is that slip significant?" inquired a reporter.

"Not especially," replied the 1936 Republican presidential candidate, but he conceded that if the Democrats picked Mr. Hull they would at least have a good candidate.

No Blackout

Failure to display tail lights on their baby carriages during the blackout cost four women four shillings (about 80 cents) each. They were fined in magistrate's court at Walsall, Staffordshire. The arrests were made after one of the carriages was hit by an automobile.

Spanish Meat Roll

Broadcast by Mary Lee Taylor, October 2, 1941

⅓ cup uncooked rice	10½-oz. can condensed tomato soup
6 cups boiling water	1½ pounds twice-ground beef
3½ teaspoons salt	¾ cup Pet Milk
6 tablespoons finely cut onion	1 cup day-old bread crumbs
¼ cup finely cut green pepper	⅛ teaspoon pepper
2 tablespoons hot shortening	1½ tablespoons shortening

Boil rice until tender in boiling water and 1½ teaspoons salt. Drain and rinse with hot water. While rice is boiling, cook 2 tablespoons onion and the green pepper in hot shortening for 5 minutes. Add cooked rice, tomato soup and ½ teaspoon salt. Cook slowly, stirring frequently, until mixture thickens. Let stand while preparing the following: Turn on oven and set at moderately slow (350° F.). Mix together thoroughly the ground beef, milk, bread crumbs, remaining ¼ cup onion, 1½ teaspoons salt and the pepper. When milk is absorbed, turn out mixture onto sheet of waxed paper. With wet fingers pat into a sheet 12 inches square. Spread with rice mixture, leaving 2-inch margin on opposite sides. Starting at one of the margins, and with aid of paper, roll up like jelly roll. Press overlapping edge to secure. Put into greased baking pan, lapped side down. Dot top with bits of shortening. Bake about 1 hour, or until meat is brown. Baste at 15-minute intervals with drippings in pan. Serve at once with Pot Gravy (See Below), if desired. Serves 6.

Pot Gravy

3 tablespoons fat	½ teaspoon pepper
3 tablespoons flour	¼ cup water or meat stock
¾ teaspoon salt	¾ cup Pet Milk

Drain off all fat remaining in meat pan but 3 tablespoons. Blend in flour, salt and pepper. Stir until brown. Then stir in water slowly. Boil 2 minutes, stirring constantly. Stir in milk. Heat thoroughly, but do not boil. Serve at once with Spanish Meat Roll (See above). Serves 6.

For these recipes, you'll need:

GROUND **BEEF** lb. 28c

TOMATO **SOUP** can 5c

RICE lb. 9c
